

The 12th Asian Computational Fluid Dynamics Conference (2018)

ACFD 2018

OCTOBER 15 - 18, 2018
YILAN, TAIWAN

ANNOUNCEMENT AND CALL FOR PAPERS

ORGANIZED BY:

National Central University
National Cheng Kung University
National Chiao Tung University
National Taiwan University
National Taiwan University of Science and Technology
National Tsing Hua University
Tamkang University

BACKGROUND

ACFD is a leading international conference devoted to all innovative aspects of fluid and solid mechanics, fundamental and applied. The 12th ACFD conference is with the merger of several conferences: the 2nd International Conference on Mechanics (ICM 2018), the 12th Asian Computational Fluid Dynamics Conference (ACFD), the 4th Association of Computational Mechanics Taiwan Conference (ACMT), and 2nd Cross-Strait Workshop on Thermo-Fluid Science (CSWTFS). This year's conference is hosted in the beautiful ocean city of YILAN and will include a combination of nine inspiring plenary talks and parallel sessions of the latest fundamental and applied researches on Mechanics. It will bring together researchers and practitioners from academia, research institutions and industry to exchange

experiences, disseminate up-to-date information, and explore new opportunities in the field; in particular, it will expose young or new researchers to the state of the art in the field by means of the conferences. It is anticipated that the 12th ACFD Conference (ACFD 2018) will provide an opportunity for stimulation of the researchers as well as for furthering cooperation among the investigators in the field of thermo-fluid and solid mechanics.

Special Journal Issues

ACFD 2018 has teamed up with the Special Journal Issues. All submitted papers will have the opportunity to be considered for the Special Journal Issues. The paper selection will be carried out during the peer review process as well as at the conference presentation stage. Submitted papers must not be under consideration by any other journal or publication. The final decision for paper selection will be made based on peer review reports by the Guest Editors and the Editor-in-Chief jointly. Selected full-text papers will be published online free of charge.

ABSTRACT SUBMISSION

Papers will be selected based on one page abstracts including results and figures. Papers submitted should include the title of the paper, authors' names and affiliations, a concise statement of the problem, method of approach, results and discussion, and conclusions. Please identify the corresponding author. Electronic submissions are strongly encouraged. Template is available from the conference website (<http://acfd2018.org>). The file size is limited to 5MB.

REGISTRATION FEES

The fee includes technical program, breaks, technical tour, lunches, welcome reception and banquet.

Early Standard Registration US\$550
